

How to Study Your Bible

1. Take your Bible and choose a time, place, and plan.
2. Read the passage slowly to understand it, and ask the following questions:
 - Who wrote it?
 - To whom was it written?
 - What is the purpose for it being written?
3. Pray for God to speak to you, and help you apply what He shows you. Use the following questions to help yourself apply God's Word to your daily life:
 - What does God want me to do?
 - Is there a sin to be avoided?
 - Is there a promise to be claimed?
 - Is there an example to follow?
 - Is there a command to obey?
 - Is there something to know and learn about God?
4. Meditate on the main truth that God spoke to you about throughout the day.
5. Share what God spoke to you about with others (family, friends, neighbors, on social media, etc.).
